

TODAY'S MESSAGE

NEW RESOURCE AVAILABLE TO SUPPORT YOUR TRANSITION TO ICD-10

ICD-10: THINGS TO KNOW -NOW AVAILABLE ON ICD-10 LIBRARY

ICD-10: Things to Know is a newly published online resource that offers web resources and tools to assist you in your transition to ICD-10. Whether your practice or facility is small, medium or large this resource may offer you support, direction and guidance as you work toward ICD-10 compliance by Oct. 1, 2014.

To review this new resource select *HIPAA* from the Provider Resource Center, then *ICD-10 Library*.
