This information is issued on behalf of Highmark Blue Shield and its affiliated Blue companies, which are independent licensees of the Blue Cross Blue Shield Association. Highmark Inc. d/b/a Highmark Blue Shield and certain of its affiliated Blue companies serve Blue Shield members in 21 counties in central Pennsylvania and 13 counties in northeastern New York. As a partner in joint operating agreements, Highmark Blue Shield also provides services in conjunction with a separate health plan in southeastern Pennsylvania. Highmark Inc. or certain of its affiliated Blue companies also serve Blue Cross Blue Shield members in 29 counties in western Pennsylvania, 13 counties in northeastern Pennsylvania, the state of West Virginia plus Washington County, Ohio, the state of Delaware and 8 counties in western New York. All references to Highmark in this document are references to Highmark Inc. d/b/a Highmark Blue Shield and/or to one or more of its affiliated Blue companies.

Highmark Inc. ("Highmark") does not recommend particular treatments or healthcare services. This information is not intended to be substitute for professional medical advice, diagnosis, or treatment nor is it intended to situate Highmark as a provider of medical services. The provider should determine the appropriate treatment and follow-up with his or her patient. This information is based upon a search of literature: there may be other recommendations or suggested practices that may be suitable in the care of patients. The provider's medical judgment remains independent and adoption of any of these is entirely voluntary. Coverage of services is subject to the terms of each member's benefit plan. Additionally, state laws and regulations governing health insurance, health plans and coverage may apply and will vary from state to state.
