

S-46- Orthopedics; Neurology; Sports Medicine

<u>CODE</u>	<u>DESCRIPTION</u>
70250	Skull, less than four views
70260	Skull, complete, minimum of four views
71100	Ribs, unilateral, two views
71101	Ribs, unilateral and PA chest, three views
71110	Ribs, bilateral, three views
71111	Ribs, bilateral and PA chest, minimum of four views
71120	Sternum, minimum two views
71130	Sternoclavicular joints, minimum of three views
72020	Spine, single view, any level
72040	Spine, cervical, two or three views
72050	Spine, cervical, minimum of four views
72052	Spine, cervical, complete, with flexion and extension
72070	Spine, thoracic, two views
72072	Spine, thoracic, three views
72074	Spine, thoracic, minimum four views
72080	Spine, thoracolumbar, two views
72081	Spine; entire thoracic and lumbar, one view
72082	Spine; entire thoracic and lumbar, two or three views
72083	Spine; entire thoracic and lumbar, four or five views
72084	Spine; entire thoracic and lumbar, minimum of 6 views

72100 Spine, lumbosacral, two or three views

72110 Spine, lumbosacral, minimum of four views

72114 Spine, lumbosacral, complete with bending views

72120 Spine, lumbosacral, bending views only, minimum of four views

72170 Pelvis, one or two views

72190 Pelvis, complete, minimum of three views

72200 Sacroiliac joints, less than three views, limited

72202 Sacroiliac joints, complete, three or more views

72220 Sacrum and coccyx, minimum of two views

73000 Clavicle, complete

73010 Scapula, complete

73020 Shoulder, one view or limited

73030 Shoulder, complete, minimum of two views

73050 Acromioclavicular joints

73060 Humerus, minimum of two views

73070 Elbow, limited, AP and lateral, two views

73080 Elbow, complete, minimum of three views

73090 Forearm, two views

73092 Upper extremity, child, minimum of two views

73100 Wrist, limited, AP and lateral, two views

73110 Wrist, complete, minimum of three views

73120 Hand, limited, AP and lateral, two views

73130 Hand, AP, lateral, and oblique views, minimum of three views

73140 Finger or fingers, minimum of two views

73501 Hip; unilateral with pelvis, one view

73502 Hip; unilateral with pelvis, two or three views

73503 Hip; unilateral with pelvis, minimum of four views

73521 Hips; bilateral with pelvis, two views

73522 Hips; bilateral with pelvis, three or four views

73523 Hips; bilateral with pelvis, minimum of five views

73551 Femur; one view

73552 Femur; minimum of two views

73560 Knee, one or two views

73562 Knee, three views

73564 Knee, four views

73565 Both knees, standing, AP

73590 Tibia and fibula, two views

73592 Lower extremity, infant, minimum of two views

73600 Ankle, two views

73610 Ankle, minimum of three views

73620 Foot, two views

73630 Foot, minimum of three views

73650 Calcaneus, minimum of two views

73660 Toe(s), minimum of two views

77071 Manual application of stress for joint; including contralateral joint

77072 Bone age study

77073 Bone length study

77077 Joint survey, single view, two or more joints
