

What to Expect During Professional Recredentialing

Approximately six (6) months prior to the end of the three-year credentialing cycle, Highmark will send a letter to notify the practitioner that it is time for recredentialing.

- Please log into CAQH ProView at <https://proview.caqh.org> to review and re-attest to the CAQH application.
 - If not already done, please authorize Highmark Inc. or grant Global Authorization to the CAQH application.
- When the application is received from CAQH, a Highmark Credentialing Specialist will be assigned to the application for review.
 - If additional information should be needed to complete the recredentialing process, the Credentialing Specialist assigned to the application will reach out via email to the Credentialing Contact. If there is no Credentialing Contact information available, the Credentialing Specialist will defer to the email address or FAX number given on the application. Be sure to check all Spam and Junk folders for incoming emails from Highmark.
 - Highmark will make several attempts to collect the additional information.
 - Failure to respond will be deemed as your intention to terminate from the Highmark Network(s) and your patients will be notified that you are no longer a participating provider.
 - If credentialing is terminated, the provider must reapply as an initial provider (by completing the [Initial Credentialing Request Form](#)).
- Completed applications are reviewed by the Highmark Medical Director and/or the Network Quality and Credentials Committee.
 - The practitioner can continue to see patients and bill for services as a participating, in-network provider unless a letter is received from the Highmark Medical Director and/or the Network Quality and Credentials Committee indicating otherwise.
 - Adverse decisions are communicated to the practitioner by letter within sixty (60) days.
- Terminated providers may request an appeal. Full appeal rights will be detailed within the termination letter received. The request for an appeal must be in writing, sent via email or facsimile transmission, and received by Highmark at the email address or facsimile number indicated as applicable, no later than thirty (30) calendar days from the date the termination letter is received.
