

Medicare Advantage Quality Measure Guides

Medicare Advantage Quality Measure Guides

The Medicare Advantage Quality Measure Guides are reference tools to assist you in identifying best practices and addressing barriers you face. Our goal is to provide you with resources to close gaps in your Star quality measures by providing you with unique opportunities to establish processes and improve quality of care and performance outcomes. These guides will share Highmark's strategic initiatives and opportunities to aid you in reducing costs and improving quality of care for your patients.

What's Included in the Medicare Advantage Quality Measure Guides Toolkit?

- Breast Cancer Screening
- Colorectal Cancer Screening
- Comprehensive Diabetes Care
