

Medication-Related Cost-Saving Tools

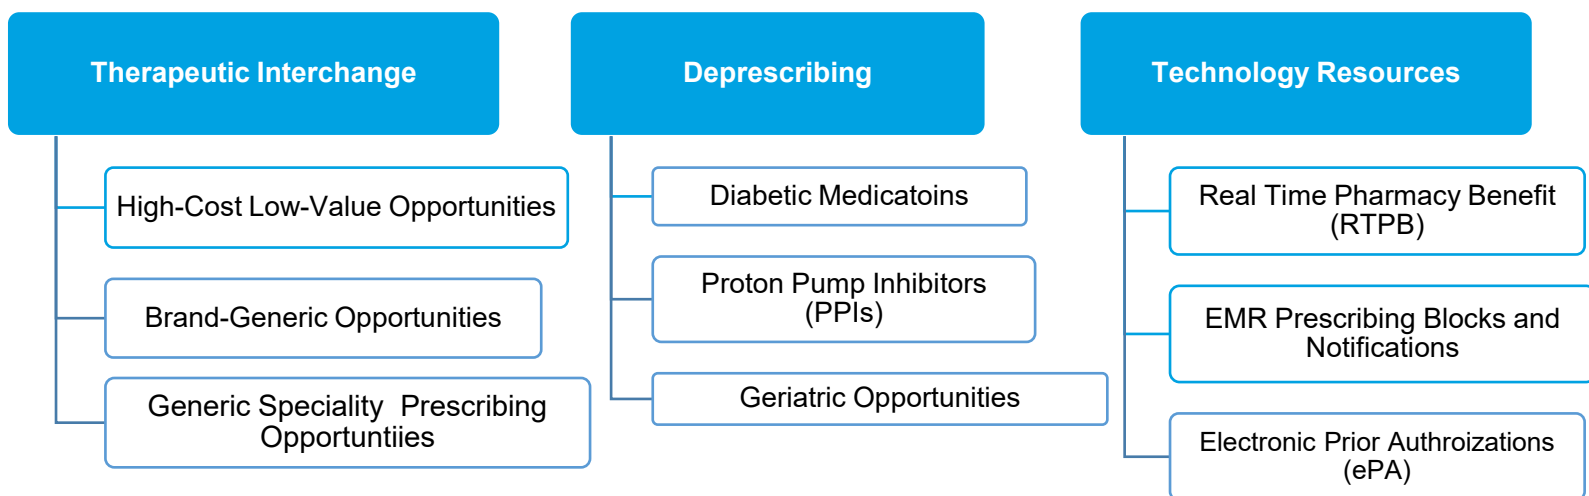

THE MEDICATION-RELATED COST-SAVING TOOLKIT

The medication-related cost-saving tools were designed to assist our providers in reducing medication-associated costs to enhance provider and member experiences and outcomes. Each tool leverages evidence-based, cost-reducing strategies to decrease total health care cost and patient out-of-pocket expenses.

Provider-facing cost-saving reports include:

- Expertly designed visuals from Tableau, R-Shiny, and PowerPoints to show the most actionable recommendations directly to providers
- Identification of medications leading to high pharmacy spend
- Directs providers to consider equally effective alternative therapy
- Inclusion of Highmark formulary considerations
- Best practices and templates to deploy these recommendations
