

K	
<b>Keystone Health Plan West (KHPW) Network</b>	Keystone Health Plan West (KHPW) is the managed care provider network in the 29-county Western Region of Pennsylvania that supports Highmark's managed care products in this service area only. These include Commercial health maintenance organization (HMO) coverage plans, Medicare Advantage HMO plans, and the Children's Health Insurance Program (CHIP). The KHPW network also supports the Federal Employee Program (FEP) and BlueCard PPO programs in this western part of Pennsylvania.
