YOU'RE INVITED! CODING KNOWLEDGE COLLEGE

Highmark's HCC University is expanding its course offerings for 2021. On the second Wednesday of each month, Highmark will offer a live Coding Knowledge College webinar from 12:15 – 12:45 p.m. The sessions are open to all Highmark providers and will provide 0.5 AMA PRA Category 1 CME to all physicians, nurse practitioners and physician assistants who attend.

These sessions will focus on key risk adjustment conditions that closely correspond to the recognized health awareness campaign for that month.

To attend the course you must have an Allegheny Health Network (AHN) Continuing Medical Education (CME) account and each session register for each class you wish to attend (there will be a different registration every month).

To learn more about this webinar series:

- Go to **NaviNet**
- Select **Resource Center**
- Click **Education/Manuals**
- Select **Coding/HCC University**
- **Coding Knowledge College**
