EVICORE UPDATING RADIATION THERAPY CLINICAL GUIDELINES EFFECTIVE 4/2/2018

Effective April 2, 2018, eviCore will revise its Radiation Therapy Clinical Guidelines by adding new guidelines and making changes to certain criteria.

Highmark will amend our clinical guidelines based on eviCore's modifications.

To review the Executive Summary for an explanation of eviCore's revisions, visit www.evicore.com/ReferenceGuidelines.

For more on the Radiation Therapy Authorization Program or how to submit authorization requests, please visit the **Radiation Therapy Authorization Program** page under **Care Management Programs** on the Provider Resource Center.
