ORAL ISOTRETINOIN THERAPY UPDATE

PHARMACY POLICY J-695 – CERTAIN DRUGS REMOVED FROM POLICY

One of Highmark's primary concerns is ensuring members have access to safe, cost effective treatment options. **Effective May 11, 2018**, the following pharmacy medications will no longer require prior authorization for the member to receive the drug(s):

Medication Name
Claravis
Myorisan
Zenatane
Amnesteem

Please note: Pharmacy Policy J-695 will still apply to Absorica, as other cost-effective isotretinoin products are available.
