

# SPECIAL eBULLETIN

FOR PROFESSIONAL AND FACILITY PROVIDERS

JANUARY 31, 2020

## ***Attention: Medication Assisted Treatment (MAT) Providers***

## **UPDATED PROVIDER FORMS AVAILABLE**

In an attempt to improve access for members that need MAT, the Provider Information Management (PIM) Forms below have been updated to capture which practitioners are performing MAT services, and at which practitioner locations. These forms can be located on the Provider Resource Center under **Provider Information Management Forms**.

Please use the form that is most appropriate.

- **Medication Assisted Treatment Provider Form** - Please use this form to update your practitioner profile for MAT services in Highmark's networks.
- **Practice Address Addition Form For Professional Providers** – This form should be used to add a new location where practitioners will be providing/are already providing MAT services.
- **Request for Addition/Deletion to Existing Assignment Account** – This form should be used when adding a new practitioner to an existing group who will be providing MAT services.
- **Request for Assignment Account** – This form should be used when the office is setting up a new group where one or more of the practitioners are performing MAT services.

Highmark will review, validate, approve, and update your profile in the provider directory. **The MAT designation will then be displayed under your name. This allows our members to see who is providing MAT services in our network.**

Highmark appreciates your effort to assist our members in gaining access to /this life-saving treatment.
