QUICKLINKS FUNCTION NOW AVAILABLE

Highmark is pleased to announce that we've added a new enhancement to the Provider Resource Center (PRC) — Quicklinks. We selected the following options based on our analysis of PRC website usage.

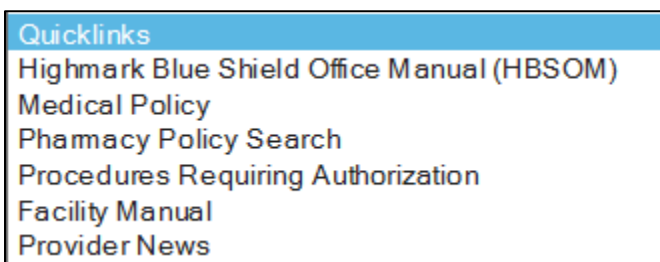

- Highmark Blue Shield Office Manual (HBSOM)
- Medical Policy
- Pharmacy Policy Search
- Procedures Requiring Authorization
- Facility Manual
- Provider News

You can locate the **Quicklinks** option in the upper right corner of the PRC.

USING QUICKLINKS

Click the down arrow and select which option you would like to access. The webpage you select will open in the current window.

Using Quicklinks will help you navigate faster to the information that you use the most. We hope that you'll find this new tool helpful.
