EVICORE'S 2019 CLINICAL GUIDELINES TO APPLY TO RADIATION THERAPY AUTHORIZATION PROGRAM BEGINNING MARCH 4, 2019

Highmark will begin to apply eviCore healthcare's (eviCore) 2019 evidence-based clinical guidelines to its Radiation Therapy Authorization Program, effective March 4, 2019.

eviCore provides medical necessity review and authorization, where applicable, for select outpatient radiation therapy services for Highmark members.

You can review eviCore's evidence-based radiation therapy clinical guidelines by accessing eviCore's Highmark implementation site at evicore.com/healthplan/Highmark.
