Decreased Reimbursement for Certain X-Ray Services Reported With Modifier FY

To align with the Centers for Medicare and Medicaid Services (CMS), Highmark will be decreasing our reimbursement rate for X-ray services furnished using computed radiography cassette-based imaging on **February 27, 2023**. These services when reported with modifier FY will apply a reduction of 10%. This represents an increased reduction from 7% to 10%. For X-ray services furnished using computed radiography cassette-based imaging, you must submit modifier FY on your claims in compliance with Reimbursement Policy-008: X-rays Using Film, Computed Radiography and Computed Tomography: Modifiers FX, FY, CT (RP-008).

You can review the updated reimbursement policy on the **Provider Resource Center** under **CLAIMS, PAYMENT & REIMBURSEMENT**. Click **Reimbursement Policy** and select [RP-008](#).
