Medical Policy S-60: HCPCS Codes Removed from Archived Policy

During the annual review process last year, **Medical Policy (MP) S-60 Artificial Hearts and Ventricular Assist Devices** was initially updated with additional Healthcare Common Procedure Coding System (HCPCS) codes. However, it was ultimately decided to archive MP S-60. During the archiving process, the recently added HCPCS codes were inadvertently left on the policy. The codes have since been removed.

To view the archived policy, go to the Provider Resource Center. On the top task bar, click the drop-down arrow for **MEDICAL POLICY SEARCH**, select **MEDICAL POLICIES**, and then type “S-60” into the search bar.
