

SPECIAL eBULLETIN

FOR FACILITY PROVIDERS ONLY

SEPTEMBER 01, 2021

NEW CREDENTIALING REQUIREMENTS

Effective **December 1, 2021**, the following facility providers (including Renal Dialysis providers) will be required to have accreditation, a state site survey, or a Highmark site survey prior to the completion of initial or re-credentialing.

- Attendant Care
- Home and Community Based Services (HCBS)
- Homemaker Chore Services
- In-Home Respite
- In-Home Supportive Care
- Pediatric Extended Care Facilities
- Service (Mobile Lithotripsy)

Renal Dialysis Facilities will also be required to have accreditation, a state site survey or a Highmark site survey. The following entities are acceptable for Renal Dialysis accreditation:

- Accreditation Commission for Health Care, Inc (ACHC)
- National Dialysis Accreditation Commission (NDAC)
