NEW DRUGS TO BE ADDED TO FREE MARKET HEALTH SPECIALTY PHARMACY PROGRAM

Highmark engaged with Free Market Health (FMH), an independent healthcare technology company, to launch an innovative, value-based specialty pharmacy program in July 2021 and will be expanding the eligible drug list on **April 18, 2022**. Drugs within the following categories will now be included in the program:

- Chronic Inflammatory Disease
- Hepatitis C
- Multiple Sclerosis
- Additional Oral Oncology drugs

For a full list of eligible drugs, please refer to the [Free Market Health drug list](#).

NOTE: This expansion may result in new specialty pharmacies servicing prescribers and their members. The assigned pharmacy will reach out to obtain the prescription and is authorized to service the referral. Prescribers should provide the prescription to the assigned pharmacy when requested.

This information is issued on behalf of Highmark Blue Shield and its affiliated Blue companies, which are independent licensees of the Blue Cross Blue Shield Association. Highmark Inc. d/b/a Highmark Blue Shield and certain of its affiliated Blue companies serve Blue Shield members in 21 counties in central Pennsylvania and 13 counties in northeastern New York. As a partner in joint operating agreements, Highmark Blue Shield also provides services in conjunction with a separate health plan in southeastern Pennsylvania. Highmark Inc. or certain of its affiliated Blue companies also serve Blue Cross Blue Shield members in 29 counties in western Pennsylvania, 13 counties in northeastern Pennsylvania, the state of West Virginia plus Washington County, Ohio, the state of Delaware and 8 counties in western New York. All references to Highmark in this document are references to Highmark Inc. d/b/a Highmark Blue Shield and/or to one or more of its affiliated Blue companies.
