Attention: Medicare Advantage Providers

USING THE APPROPRIATE CONTINUOUS GLUCOSE MONITORS CODES

When billing your Medicare Advantage members for Continuous Glucose Monitors, you must use one of the following codes to receive the Center of Medicare and Medicaid (CMS) allowable:

- K0553
- K0554

Using the respective A codes (meant for Commercial members only) may result in your claims not being allowable and/or reimbursed.

Medicare Advantage Guidelines and Regulations

For more information on all the Medicare Advantage guidelines and regulations, please visit [cms.gov/Regulations-and-Guidance/Regulations-and-Guidance](https://www.cms.gov/Regulations-and-Guidance/Regulations-and-Guidance).
