ATTN: PRESCRIBING PHYSICIANS

2018 FORMULARY AND PRESCRIPTION MANAGEMENT PROGRAMS

One of our most important concerns is the safe and effective use of prescription drugs. If you are a prescribing physician in our network, effective **Jan. 1, 2018**, Highmark will be making changes to specific drugs included in the formularies and Pharmacy benefit programs for Medicare Advantage plans. [Letters](#) outlining this update, are being mailed to prescribing providers in the near future. We encourage you to be looking for the letters that will arrive shortly.
