CHANGE TO MEDICARE PREVENTIVE SERVICES COVERAGE

CPT CODES NO LONGER COVERED EFFECTIVE JANUARY 1, 2019, FOR HIGHMARK'S MEDICARE ADVANTAGE SUBSCRIBERS

Working with health care providers, we're helping institute care teams and nationally accepted, evidence-based guidelines. Often, these models only require small changes to the way most practitioners already deliver care. And more important, they're proven to add up to better patient outcomes and lower costs.

Effective January 1, 2019, Highmark will no longer pay for certain CPT codes 99381-99397 under Medicare Preventive Services.

It is necessary for you to let your Medicare Advantage patients know that Highmark is no longer paying for these services, and that they will be responsible for paying out-of-pocket for these services.

The following codes are affected by this change:
