

LOCATING YOUR PARTICIPATION STATUS VIA NAVINET®

Provider Tip Sheet

You can use NaviNet to confirm if you are participating at the Preferred Value Level of Benefits, Enhanced Value Level of Benefits or Standard Value Level of Benefits (for products with these benefit levels), by accessing **Provider File Management**. Click on the **View group details** link in the upper left corner of the screen.

Scroll down on this page and locate Networks this group participates in, then locate **Tiered Benefit Level**.

You may see several options listed, including the new Conemaugh Region Connect Blue EPO plan design. Below are some examples of some of the options that you may see:

Tiered Benefit Level Options
219 Conemaugh Region Connect Blue Preferred
220 Conemaugh Region Connect Blue Enhanced
211 Connect Blue Preferred
212 Connect Blue Enhanced
2087 my Connect Blue EPO Preferred
2083 my Community Blue Flex PPO Enhanced
444 Community Blue Flex Penn Highlands Enhanced
442 Community Blue Flex PMHA Enhanced
88 Community Blue Flex Enhanced

*This list is not all-inclusive but includes many of the options which may be displayed in NaviNet.

The plan designs reflected in the **Tiered Benefit Level** section of your NaviNet provider file indicate at which tiered benefit levels you are participating.

Note: Facility providers need to access the *Provider Information* link via NaviNet, then click on the Networks tab to see their participation status.
