### **Enrolling in a plan**

Since you lost Medicaid coverage, you can enroll in an individual or family plan during your Special Enrollment Period (SEP). This is a limited, one-time enrollment period that lasts 120 days from the date you lost health insurance.

If you have advanced notice, you can apply up to 60 days before you lose coverage.

#### Financial assistance<sup>2</sup>

You might be eligible for savings that can lower monthly premiums or out-of-pocket costs. This depends on your household size and income. Nearly 90% of people qualify for some form of financial assistance.<sup>3</sup>

We can help you find the right individual or family plan. Visit FindANewHMPlan.com or call 888-421-1458.

## **CHIP plans**

If your child is not eligible for Medicaid, your household income will help determine which CHIP plan you qualify for, and how much you'll pay out of pocket. You can enroll your uninsured child at any time.
