

TODAY'S MESSAGE

UPDATED LIST OF PROCEDURES/DME REQUIRING AUTHORIZATION NOW AVAILABLE ACCESS VIA THE PROVIDER RESOURCE CENTER

The updated list of outpatient procedures requiring authorization has been added to the Provider Resource Center (PRC). Follow the instructions below to locate the updated list:

- Click on the *Administrative Reference Materials* link from the left menu in the PRC
- Click on the *Procedures Requiring Authorization* link
- Click on the *CLICK HERE to view the List of Procedures/DME Requiring Authorization* link

Note: For communications announcing changes to this list, please click on the *Publications and Mailings* link on the PRC, then click on *Special Bulletins & Mailings* and select the *Authorization* category.
