

TODAY'S MESSAGE

Attention Physicians: Bullying Prevention Symposium Set for Oct. 28

The Highmark Foundation is conducting a bullying prevention symposium titled "Huddle Up Against Bullying" on Tuesday, Oct. 28, 2014, at Heinz Field in Pittsburgh.

The focus of this professional symposium is to note how far we've come in regard to bullying prevention over the past decade and to discuss new avenues for helping schools, students, families, communities and health care professionals in addressing areas of bullying that remain problematic. Attendees will gain renewed motivation and concrete ideas that will help to propel them as professionals and their various programs in bullying prevention.

The event will begin with breakfast from 7:30 to 8:30 a.m., with the program to follow from 8:30 a.m. to 3:30 p.m. For more information, visit www.highmarkfoundation.org/HuddleUp/index.shtml.
