NEW TOOL KIT MAY OFFER ASSISTANCE WITH ICD-10 TRANSITION

ICD-10 COMPLIANCE DATE IS OCT. 1, 2015! WILL YOU BE READY?

Highmark is pleased to announce the addition of a web-based **Tool Kit** to the ICD-10 Library. The Tool Kit offers ICD-10 topics including: Basics and Training, Implementation Planning, Education and Specialized Training, Clinical Documentation and Coding, to name a few. Each topic is supported by "click and go" functionality to relevant web-based sites and resource materials that may assist in your ICD-10 transition.

To locate the Library, and this new Tool Kit, select ICD-10/HIPAA from the Provider Resource Center. Then, select the ICD-10 Library.

The Library is your primary resource for all things ICD-10 including: FAQs, articles and websites of relevance, like www.CMS.gov/ICD10 which, in addition to this new Tool Kit, may aid in your transition planning efforts. Highmark encourages you to visit the ICD-10 Library frequently, utilizing all the resource offerings provided.
