

TODAY'S MESSAGE

Medicare Advantage Star Care Gap Report News Medication Adherence Measures Percentage Correction

The percentages in the information only column "Max Potential Compliance Rate Based," for the three Medication Adherence measures D13, D14, and D15 listed in the November 2014 Star Care Gap Reports are inverted. These percentages will be corrected in the December 2014 Stars reports. The Max Trend Compliance information is informational only and has no impact on scoring.
