# ATTENTION PROFESSIONAL PROVIDERS: INTRODUCING *MEDICAL POLICY UPDATE* PREMIER ISSUE AVAILABLE JANUARY 2015

In 2015, Highmark Blue Cross Blue Shield will introduce a new publication for all things medical policy, *Medical Policy Update*. You've relied on *Policy, Review & News (PRN)* for bimonthly medical policy information for many years. Now Highmark will keep you in the know more often with its *Medical Policy Update* publication.

### What You Need to Know About *Medical Policy Update*:

- Replaces Highmark's bimonthly medical policy newsletter *PRN*.
- Will be published monthly. Twelve issues instead of six.
- Professional provider only audience will change to professional and facility providers.
- A new design and useful icons will be included within each story to help you decide whether that story is of interest to you.

Beginning January 2015, you will receive a monthly email each time a new issue of *Medical Policy Update* is posted online.

*Medical Policy Update* will be available online on the following dates in 2015:

Jan. 26	July 27
Feb. 23	Aug. 31
March 30	Sept. 28
April 27	Oct. 26
May 25	Nov. 30
June 29	Dec. 28
