NORTHEASTERN REGION FPLIC AND FPH REIMBURSEMENT TRANSITIONS TO PREMIER BLUE FEE SCHEDULE

Change Effective January 1, 2021

Highmark periodically reviews its network reimbursement and makes changes to remain competitive and pay consistently and appropriately across products and regions.

As such, effective January 1, 2021, Highmark will align First Priority Life Insurance Company (FPLIC) and First Priority Health (FPH) contracted providers to the Premier Blue fee schedule. The goal of this change is to pay providers consistently regardless of the insurance product of a member.
