

BLUECARD[®] SUBMISSION TIPS

For providers with offices in Delaware and Pennsylvania

The national BlueCard Program makes it easier for you to service out-of-area members and to file claims because it links participating health care providers with the independent Blue Cross and Blue Shield Plans through a single electronic network.

If you have two office locations (one in Delaware and one in Pennsylvania), please use the table below to help you accurately submit your BlueCard claims.

IF	AND	THEN
Your main practice address is in Delaware	You are in-network with Delaware and Pennsylvania	Claims are submitted to Highmark DE; only claims for Highmark PA members are submitted to Highmark PA
	You are in-network with only Delaware	Claims are submitted to Highmark DE
	You are in-network with only Pennsylvania	Claims are submitted to Highmark DE; only claims for Highmark PA members are submitted to Highmark PA
	You are out-of-network with Delaware and Pennsylvania	Claims are submitted to Highmark DE
