#### 2015 Medicare Advantage Stars Primary Care Incentive Program

The 2015 Medicare Advantage Stars Primary Care Incentive Program webinars on the Overview and Clinical Quality Measures are now completed.

If you would like to listen again to one or both of these educational sessions, the audio versions are both included in the existing *Provider Resource Center* site, by choosing the *Administrative Reference Material* link on the left hand side of the screen, and selecting the **Medicare Advantage Incentive Program** selection.

Educational Sessions:

- January 2015 Webinar/Audio only: **Overview**
- February 2015 Webinar/Audio only: **Clinical Quality Measures**

In addition, the **Clinical Quality Measures Presentation** is available to give your practice valuable information to support measure compliance and/or demonstrate strong overall star performance.

We encourage contact with your Highmark Clinical Transformation Consultant / Provider Relations Representative to discuss any of these 2015 supportive educational materials. If you are unsure of your Highmark contact, please notify us through: <http://starsincentive.highmark.com>
