---

## Coverage Guidelines Revised for Omalizumab (Xolair)

Highmark Blue Shield has revised criteria for omalizumab (Xolair) subcutaneous injection to add reauthorization criteria along with the initial and reauthorization periods. The reauthorization criteria include that the individual meets all initial authorization criteria and has demonstrated disease stability or a beneficial response to therapy.

This revised Medical Policy will apply to professional providers and facility claims. The effective date is November 28, 2022

### **Place of Service: Outpatient**

Please refer to Medical Policy I-53, Omalizumab (Xolair), for additional information.

---

## Criteria Established for Dexamethasone Punctum Insert (Dextenza)

Highmark Blue Shield has established new guidelines for dexamethasone punctum insert (Dextenza). Dexamethasone punctum insert (Dextenza) may be considered medically necessary for individuals 18 years of age or older for the treatment of **ANY ONE** of the following criteria:

- Ocular inflammation and pain following ophthalmic surgery; **or**
- Ocular itching associated with allergic conjunctivitis after treatment failure with all of the following unless contraindicated:
  - Topical ophthalmic antihistamines; **and**
  - Topical ophthalmic mast cell stabilizers; **and**
  - Topical ophthalmic corticosteroids.

This revised Medical Policy will apply to professional providers and facility claims. The effective date is October 17, 2022.

### **Place of Service: Outpatient**

Please refer to Medical Policy I-78, Intravitreal Implants, for additional information.

---

## Criteria revised for Medical Policy M-13, Intraoperative Neurophysiologic Monitoring

Highmark Blue Shield has revised criteria for Medical Policy M-13, Intraoperative Neurophysiologic Monitoring (Sensory-Evoked Potentials, EEG Monitoring).

Intraoperative Neurophysiologic Monitoring may be considered medically necessary when performed by an operator who is certified by the American Board of Medical Specialties (ABMS); **and**

Monitoring only one (1) procedure at a time.

This revised Medical Policy will apply to professional providers and facility claims. The effective date is 11/28/2022.

### **Place of Service: Inpatient/Outpatient**

Please refer to Medical Policy M-13, Intraoperative Neurophysiologic Monitoring (Sensory-Evoked Potentials, EEG Monitoring) for additional information.

---

## Obstructive Sleep Apnea Publication Delayed

In May 2022, Highmark Blue Shield announced revised coverage guidelines for Diagnosis and Treatment of Obstructive Sleep Apnea in Adult and Pediatric Individuals effective August 29, 2022.

Highmark Blue Cross Blue Shield is delaying the publication of Diagnosis and Treatment of Obstructive Sleep Apnea in Adult and Pediatric Individuals in addition to delaying the archiving of HMK M-62, Polysomnography for Non-Respiratory Sleep Disorders. The revised policy publication effective date is September 26, 2022.

Please refer to Medical Policies Z-8 Diagnosis and Treatment of Obstructive Sleep Apnea in Adults, Z-64 Diagnosis and Treatment of Obstructive Sleep Apnea in Pediatric individuals, and M-62 Polysomnography for Non-Respiratory Sleep Disorders, for additional information.

**Place of Service: Inpatient/Outpatient**

## Medicare Advantage

### Facility Guidelines Added

Highmark's Medicare Advantage products for medical policy I-51, Self-Administered Drug Exclusion List, has added facility to the operational guidelines.

This revised Medical Policy will apply to professional providers and facility claims. The effective date is October 3, 2022.

**Place of Service:** Not Applicable

Please refer to Medicare Advantage Medical Policy I-51, Self-Administered Drug Exclusion List, for additional information.

### About this Newsletter

*Medical Policy Update* is a monthly newsletter for the health care providers who participate in our networks and submit claims to Highmark using the appropriate HIPAA transactions or claim forms as required by Highmark. This publication focuses only on medical policy and claims administration updates, including coding guidelines and procedure code revisions, and is the sole source for this information. For all other news, information and updates, be sure to read [Provider News](#), available on the Provider Resource Center at [hbs.highmarkprc.com](https://hbs.highmarkprc.com).

Highmark Blue Shield is an independent licensee of the Blue Cross and Blue Shield Association. NaviNet is a registered trademark of NaviNet, Inc., which is an independent company that provides a secure, web-based portal between providers and health care insurance companies.

*Note: This publication may contain certain administrative requirements, policies, procedures, or other similar requirements of Highmark Inc. (or changes thereto) as well as interpretations of certain administrative requirements, policies and procedures (hereinafter collectively "requirements") which are binding upon Highmark Inc. and its contracted providers. Therefore, the requirements in this publication supplement the Provider Manual. Pursuant to their contract, Highmark Inc. and such providers must comply with any requirements included herein unless and until such item(s) are subsequently modified in whole or in part.*
