GLITCH RESOLVED: MEDICAL POLICY G-46: INHALED NITRIC OXIDE

Due to a glitch in version 002 of the Highmark Blue Shield of Northeastern New York Medical Policy G-46: Inhaled Nitric Oxide (MP G-46), MP G-46 did not publish on December 6, 2021, as planned.

The glitch was resolved and MP G-46 was published on February 15, 2022. It can now be viewed on the Medical Policy webpage:

- Go to the Provider Resource Center
- Select **Medical Policy Search**
- Click **Medical Policies**
- Type **G-46** into the **Search Bar**
