Take a quick tour!

ONLINE TRAINING AVAILABLE

Our updated Provider Resource Center is a great place to find reference materials dedicated specifically to you. There are two different versions (one is available through our public website, www.highmarkbcbsde.com, and the other version is available via NaviNet). The Resource Center contains helpful information and resources to assist both professional and facility providers in their daily interactions with Highmark Delaware and our members.

A brief training module with audio explains the Provider Resource Center functionality and is always available to you. We encourage you to take this tour today. From the left-hand menu, select *Online Provider Training*, and then *Welcome to the Provider Resource Center*.
