## CORRECTION TO MEDICAL POLICY V-45: MEDICATION ASSISTED TREATMENT FOR OPIOID USE DISORDER: METHADONE

On October 1, 2020, Medical Policy V-45: Medication Assisted Treatment for Opioid Use Disorder: Methadone was published without the Delaware State mandate. The mandate has been added back in to the Medical Policy V-45 and can now be viewed on the **Provider Resource Center**.

- Go to the **Medical Policy Search**
- Select **Medical Policies**
- Search **V-45**
