2017 UDC Program Preview

30-MINUTE SESSIONS HELD IN ANTICIPATION OF THE 2017 UDC PROGRAM LAUNCH

In-network PCPs and staff participating in the Unconfirmed Diagnosis Code (UDC) Program are invited to participate in a 30 minute high level overview about the 2017 UDC Program. The sessions will be held on January 11th and 18th from noon – 12:30. The sessions will contain the same content, thus you only need to register for one of them.

The Preview moderator will update you on the following program plans:

1. Launch date and program effective dates
2. Program compensation
3. Upcoming detailed webinars
4. Coding and Documentation webinars
5. 5in5 Series supporting 2017 UDC Program

Registration at tinyurl.com/2017UDCPreview is required to receive login information for the Preview Sessions.

Preview Sessions will be held on the following dates:

- January 11
- January 18
