

## TODAY'S MESSAGE

### ICD-10 LIBRARY PAGE NOW AVAILABLE IN THE PROVIDER RESOURCE CENTER

Highmark Blue Cross Shield Delaware is committed to meeting the October 2014 compliance date for implementing federally mandated ICD-10. Information and updates will be made available to providers via normal communication channels. To provide easy, ongoing access to related communications in one location, the ICD-10 Library is now available on the Provider Resource Center.

#### ICD-10 FREQUENTLY ASKED QUESTIONS

A Frequently Asked Question document and a selection of useful links are the initial additions to the Library.

#### WATCH US GROW!

You can reach the Library from the Provider Resource Center by selecting *HIPAA* and then *ICD-10 Library*. As future communications about ICD-10 are published, they will be added to the Library.
