Attention: Primary Care Physicians, Clinical Staff and Practice Managers

Highmark's new Quality Blue Physician Pay-for-Value (P4V) program will launch May 1, 2015 in Delaware for eligible providers. The new Quality Blue Physician P4V program will offer a \$3 incentive reimbursement on eligible E&M codes to support and encourage practices that are focusing efforts on quality and operational efficiency. In preparation for the May 1, 2015 launch of the Quality Blue Physician Pay for Value (P4V) program, participants will have online access to the program mastheads. The mastheads provide coding details for each quality measure. Masthead specifications are available for all scored and profiled measures.
