COMPLETE WEBINAR ABOUT PEDIATRIC WEIGHT-BASED BULLYING, EARN CONTINUING EDUCATION CREDITS

In cooperation with The Alliance for a Healthier Generation and the American Academy of Pediatrics' Institute for Healthy Childhood Weight, we encourage you to participate in an archived webinar titled "The Importance of Addressing Weight-based Bullying with Your Pediatric Patients."

Available at www2.aap.org/obesity/institute.html, the webinar features a discussion about weight-based bullying and includes practice testimonials and an introduction of resources available to support health care professionals. A moderated panel discussion and question-and-answer session are also included. The webinar will be available through July 23, 2015, and health care providers have the opportunity to earn 1.25 CME/CPE credits for completing it.

To support you in addressing healthy weight with your pediatric patients, we've posted online our preventive schedule, which is available under *Clinical Reference Materials* on our Provider Resource Center. Click on *Clinical Practice and Preventive Health Guidelines* to access the preventive schedule.
