AXIALHEALTHCARE PARTNERSHIP WITH HIGHMARK NOW INCLUDES SUBSTANCE ABUSE TREATMENT

Highmark is partnering with axialHealthcare to connect patients and providers with an end-to-end platform that covers the entire substance use spectrum. AxialHealthcare's high-tech, high-touch approach mends fractured ecosystems, identifies at-risk patients, and provides timely, interactive tools for clinical decision-making.

They have a Risk Mitigation Program and a Recovery Program for Highmark members. To learn more about AxialHealthcare and these programs:

- Go to the **Provider Resource Center**
- Select **Education/Manuals**
- Review the **Axial Healthcare Substance Use Risk and Recovery Programs** page
