ATTENTION ORDERING PHYSICIANS

MYRIAD GENETIC LABORATORIES WILL NO LONGER BE IN THE HIGHMARK DELAWARE NETWORK AS OF JUNE 1, 2016

Highmark Blue Cross Blue Shield Delaware will be terminating its agreement with Myriad Genetic Laboratories in Delaware as of June 1, 2016. As a result of the agreement termination, Myriad Genetic Laboratories will no longer be participating in our clinical laboratory network in Delaware.

PLEASE REFER HIGHMARK DELAWARE MEMBERS TO LABCORP OF AMERICA

When referring your Highmark Delaware patients for BRCA tests, you may select LabCorp of America — an in-network provider. By referring Highmark Delaware members to LabCorp of America, you will enable them to enjoy the highest level of benefits and cost savings when receiving eligible care and services.

Please remember to always consult the Highmark Delaware online Provider Directory to confirm the network status of any clinical lab that you may use.

We appreciate your attention to this important matter and for your continued support in providing appropriate care for our members.
