NEW! MEDICAL INJECTABLE DRUG PROGRAM GOING LIVE WITH MEDICARE ADVANTAGE

Beginning **January 1, 2022**, Highmark's Medical Injectable Drug Program will be expanded to Delaware's Medicare Advantage program. Highmark Delaware partners with **AllianceRx Walgreens Prime** (previously Walgreens Specialty Pharmacy) for our Medical Injectable Drug program to offer all Delaware network physicians the option to obtain certain medical injectable drugs.

While this program is voluntary for Highmark Delaware's commercial plans, it is mandatory for Medicare Advantage plans.

When using AllianceRx Walgreens Prime (AllianceRx) to order medical injectable drugs, AllianceRx will bill Highmark and ship the drug to you. AllianceRx is available seven (7) days a week for you to order drugs or request patient counseling. Once ordered, AllianceRx can monitor your refill needs.

To contact Alliance RX:

- Call **1-888-347-3416** or **412-231-3777** or
- Fax the Pittsburgh location at **877-235-9807**
