

ACA 2021: Summary Information for Providers – West Virginia

KEY UPDATES FOR WEST VIRGINIA 2021 PRODUCTS INDIVIDUAL AND SMALL GROUP UPDATES

my Blue Access WV EPO (Individual)

my Blue Access WV EPO offers:

- Optional Dental and Vision
- Full BlueCard Access
- No Out-of-Network Benefits
- Access to WV PPO Network Providers

Insulin Mandate (Small Group)

Per a new mandate in WV, beginning on **July 1, 2020**, a \$100 cap for a 30 day supply was placed on prescription insulin drugs regardless of whether or not the individual/family deductible has been met.

Retail Availability (Small Group)

Effective **January 1, 2021**, members can receive prescription drug refills at retail for 60 or 90 days.

IMPORTANT: This does not apply to specialty drugs for Small Group members

2021 BLUE CARD UPDATES FOR WEST VIRGINIA

There are no changes for our BlueCard program for 2021. Check NaviNet for the member's Blue Card benefits to determine if they have Full or Limited Blue Card Access.
