

TODAY'S MESSAGE

2016 West Virginia Family Health Primary Care Incentive Program

Update to PRC Site

We are excited to share that the West Virginia Family Health site is updated to include the 2016 program material including the Primary Care Incentive Program Manual, Provider HEDIS Tip Sheets and a copy of the Program Overview slides first communicated during the April 2016 teleconference sessions.

To access these documents, please go to the West Virginia Family Health page on the Provider Resource Center.
