

# UDC Status Key

## eForm

Below are the various UDC statuses with details of each possible point in the UDC submission process where a form could reside. These statuses mirror the ones used on the Progress Report.

Open ●	Form has open gaps, but it has not yet been started/printed by practice
Form Started ●	Form has been started by practice, but has not yet been submitted to Highmark
Submitted ●	Form has been submitted by the practice but not yet received by Highmark
In Review ●	Form is currently in review by Highmark's coding team
Returned ●	Form has error(s), and may be corrected & resubmitted to Highmark (minimal details of error in UDC portal)
Complete ●	Form is approved for payment
Ineligible ●	Patient was marked "Deceased" or "Left Practice"
Expired ●	Form was started but not submitted with 30-day and is now expired – if open conditions still exist, a new form can be started
Closed ●	Form has been closed by Highmark – no action needed
