Disclaimer

Highmark Wholecaresm medical policy is intended to serve only as a general reference resource regarding coverage for the services described. This policy does not constitute medical advice and is not intended to govern or otherwise influence medical decisions.

Policy Statement

Highmark WholecaresM may provide coverage under the durable medical equipment (DME) benefits of the Company's Medicare products for medically necessary automatic external defibrillators (AED).

This policy is designed to address medical necessity guidelines that are appropriate for the majority of individuals with a particular disease, illness or condition. Each person's unique clinical circumstances warrant individual consideration, based upon review of applicable medical records.

Procedures

- Please review the specific National Coverage Determination (NCD), Local Coverage Determination LCD, and/or Local Coverage Article (LCA) information, as well as other CMS sources, using the links below.
- 2. Post-payment Audit Statement

The medical record must include documentation that reflects the medical necessity criteria and is subject to audit by Highmark WholecaresM at any time pursuant to the terms of your provider agreement.

3. Place of Service

The proper place of service for the administration of the AED is outpatient.

Coverage Determination and Links
